

**University of Glasgow
College of Medical, Veterinary and Life Sciences
Research Institute of Neuroscience & Psychology**

Research Assistant/Associate

Vacancy Ref: 019429

Salary: Grade 6, £28,098 - £31,604 / Grade 7, £34,520 - £38,833 per annum

The post holder will contribute to a physics and engineering project on the clinical application of ultra-high-field MRI working with Siemens 7T and 3T scanners in the new Imaging Centre of Excellence (ICE). You will have expert knowledge in MRI pulse sequences or image reconstruction methods.

The post holder will also be expected to contribute to the formulation and submission of research publications and research proposals as well as help manage and direct this complex and challenging project, as opportunities allow.

This post has funding for two years in the first instance.
